Live Streaming Terms

FuryFortuna Ltd - Live Streaming Terms and Conditions (Broadcaster Agreement)

Version 2.0 - Effective September 2026 - Supersedes all prior versions

These Live Streaming Terms & Conditions ("Streaming Terms") govern any Client of FuryFortuna Ltd ("the Company," "FuryFortuna," "we," "us," or "our") who initiates, hosts, participates in, or otherwise transmits live audio, video, screen, or other media content ("Broadcaster," "you," or "your") through any streaming surface operated by the Company, including in-platform live rooms, embedded broadcast panels, and any related replay or recording services (collectively, the "FuryFortuna Streaming Platform"). These Streaming Terms are incorporated into, and form an integral and binding part of, the FuryFortuna Client Agreement, Privacy Policy, Abusive Trading Policy, and Community Guidelines. In the event of any conflict between these Streaming Terms and the Client Agreement in respect of broadcasting activity, these Streaming Terms shall prevail.

1. Definitions

- "Broadcaster" means the verified account holder who transmits a Stream.
- "Stream" means any real-time transmission of camera, microphone, screen, application window, chart, overlay, or other content by a Broadcaster via the FuryFortuna Streaming Platform.
- "VOD" means a video-on-demand replay, recording, clip, highlight, or excerpt of a Stream stored, indexed, or made available for later playback.
- "FuryFortuna Streaming Platform" means the collective infrastructure, hosting, ingest, transcoding, delivery, chat, moderation, and playback services operated or contracted by the Company to enable Streams and VODs.
- "Community Guidelines" means the content and conduct rules published by the Company from time to time.

2. Eligibility and Consent to Broadcast

To initiate a Stream, the Broadcaster must:

1. Be the verified beneficial account holder;
2. Be at least 18 years of age;
3. Have completed and be in continued good standing with the Company's KYC and AML verification; and
4. Not be a resident, citizen, or located in a jurisdiction restricted by the Company or by applicable sanctions.

By initiating a Stream, the Broadcaster confirms their identity and expressly consents to the real-time transmission of their

camera feed, microphone audio, screen or application windows, and any other selected inputs to the FuryFortuna audience. The Broadcaster grants the Company a non-exclusive, worldwide, royalty-free, sub-licensable licence to receive, ingest, transcode, transmit, cache, display, and distribute the Stream to viewers on the FuryFortuna Streaming Platform for the duration of the Stream and any resulting VOD.

3. Recording, Replays and VOD

The Broadcaster acknowledges and consents that Streams may be recorded, stored, and made available as VODs on the FuryFortuna Streaming Platform. The Company may retain, index, transcribe, clip, thumbnail, and reuse Stream recordings for the purposes of moderation, safety, compliance, dispute resolution, regulatory record-keeping, training, quality assurance, product improvement, and promotional or marketing use, for as long as reasonably required or as required by applicable law. The Company may, at its discretion, make VODs public, unlisted, or private, and may edit, trim, watermark, caption, or annotate VODs. The Broadcaster grants the Company the licence rights set out in clause 2 in respect of each resulting VOD for the same purposes.

4. Content Standards

The Broadcaster shall not, and shall not permit any person appearing on their Stream to:

- Make guaranteed-profit, guaranteed-return, risk-free, or similar performance claims;
- Provide personal financial, investment, tax, or legal advice, or hold themselves out as licensed to do so where they are not;
- Solicit funds, deposits, transfers, subscriptions, signals, managed-account arrangements, or trades outside the Company or through any competing broker, exchange, or third-party service;
- Promote or advertise competing brokers, prop firms, or trading platforms;
- Publish hate speech, harassment, threats, discrimination, doxxing, nudity, sexual content, graphic violence, or content that endangers minors;
- Depict, promote, or facilitate illegal activity, controlled substances, weapons, gambling in restricted jurisdictions, or the circumvention of sanctions; or
- Transmit content that violates any applicable law, regulation, or the Community Guidelines.

All trading discussion on a Stream is strictly educational and informational; the Broadcaster must present balanced risk framing and must not present outcomes as typical, guaranteed, or replicable.

5. Third-Party Rights and Intellectual Property

The Broadcaster represents and warrants that they own, or hold all necessary licences, permissions, releases, and consents in, all music, sound effects, video, imagery, artwork,

trademarks, logos, third-party software, data feeds, and any other material shown, played, or referenced on their Stream. The Broadcaster shall not broadcast copyrighted, trademarked, or otherwise protected material without the rights required for real-time transmission and subsequent VOD availability across the jurisdictions in which viewers may access the Stream. The Broadcaster shall promptly comply with any takedown, mute, or removal request issued by the Company in connection with a rights complaint. The Broadcaster indemnifies the Company against any third-party intellectual property, publicity, or moral-rights claim arising from Stream content.

6. Personal Data and Privacy

The Broadcaster shall not disclose on Stream any sensitive personal, account, financial, KYC, payment card, or authentication data belonging to themselves, other Clients, or any third party, and shall take reasonable care to blur, mask, or obscure such data if inadvertently visible on-screen. Viewers appearing in chat, overlays, guest slots, or call-in features are subject to the FuryFortuna Privacy Policy. The Company processes Stream data, chat data, viewer telemetry, and moderation logs in accordance with the Privacy Policy for the purposes of operating the FuryFortuna Streaming Platform, complying with legal obligations, and protecting the safety and integrity of the service.

7. Moderation and Enforcement

The Company may, at its sole discretion and without prior notice, end, mute, blur, interrupt, delist, remove, delete, hide, restrict, or otherwise moderate any Stream, VOD, clip, chat message, or Broadcaster account. The Company may suspend or permanently revoke streaming privileges, restrict chat participation, remove viewers or guests, and take any other action it deems necessary or appropriate in response to actual or suspected breach of these Streaming Terms, the Client Agreement, the Abusive Trading Policy, the Community Guidelines, applicable law, or a valid third-party complaint. No such action shall give rise to any liability of the Company to the Broadcaster or any third party.

8. Compliance and Regulatory Responsibility

The Broadcaster is solely responsible for their own compliance with all laws, regulations, licences, and industry codes applicable to them, including without limitation financial promotion, marketing, advertising, tax, consumer protection, data protection, and defamation rules in the Broadcaster's jurisdiction and any jurisdiction in which the Stream may be received. The Company does not act as, and is not, the Broadcaster's regulator, supervisor, employer, compliance officer, or legal adviser. The Broadcaster shall not represent themselves as an employee, agent, spokesperson, or authorised representative of the Company unless expressly authorised in writing.

9. Risk Warning and No Advice

Nothing broadcast on the FuryFortuna Streaming Platform constitutes financial, investment, tax, or legal advice from the Company. CFDs, forex, and margin trading carry a high risk of rapid capital loss and are not suitable for all investors. Viewers act at their own risk, are solely responsible for their own trading decisions, and should seek independent, licensed advice before acting on any information seen or heard on a Stream or VOD. The Company does not endorse, verify, or guarantee the accuracy, completeness, or timeliness of any Broadcaster's opinions, analysis, screens, results, or displayed positions.

10. Liability

The Broadcaster streams at their own risk. To the maximum extent permitted by applicable law, the Company's aggregate liability to the Broadcaster in respect of any claim relating to the FuryFortuna Streaming Platform, a Stream, or a VOD is limited as set out in the Client Agreement. The Company shall not be liable for the acts, omissions, statements, or content of any Broadcaster, guest, viewer, chat participant, or third party, nor for any loss, damage, cost, or expense arising from reliance on any Stream or VOD, from Stream interruption, downtime, latency, or technical failure, nor for any indirect, incidental, consequential, special, exemplary, or punitive damages.

11. Indemnity

The Broadcaster shall indemnify, defend, and hold harmless the Company, its affiliates, and their respective officers, directors, employees, agents, and contractors from and against any and

all claims, demands, actions, proceedings, damages, losses, liabilities, fines, penalties, costs, and expenses (including reasonable legal fees) arising out of or in connection with (a) the Broadcaster's Stream, VOD, chat activity, or content; (b) any breach or alleged breach by the Broadcaster of these Streaming Terms, the Client Agreement, the Community Guidelines, or applicable law; or (c) any infringement or alleged infringement of any third party's intellectual property, publicity, privacy, or other rights by the Broadcaster.

12. Termination and Survival

Either the Broadcaster or the Company may terminate the Broadcaster's streaming rights at any time, with or without cause, and with or without notice. Termination does not affect rights or obligations accrued prior to termination. The provisions relating to recordings and VODs (clause 3), intellectual property and licences granted (clauses 2, 3 and 5), personal data (clause 6), liability (clause 10), indemnity (clause 11), governing law (clause 14), and any other provisions which by their nature should survive, shall survive termination.

13. Amendments

The Company may modify these Streaming Terms and the Community Guidelines at any time and in its sole discretion. Changes are effective immediately upon publication on the FuryFortuna Streaming Platform or the Company's website. The Broadcaster's continued initiation of, or participation in, any

Stream after such publication constitutes acceptance of the modified terms.

14. Governing Law and Dispute Resolution

These Streaming Terms are governed by, and shall be construed in accordance with, the laws of Saint Lucia. Any dispute arising from or relating to the FuryFortuna Streaming Platform, a Stream, or a VOD shall be resolved in accordance with the governing law and dispute resolution provisions of the Client Agreement, to the exclusion of any other forum.
